A TOUR OF CLOUD-BASED DATA ANALYTICS

ORGANIZED BY: DEPARTMENT OF COMPUTER SCIENCE in collaboration with IQAC

DUM DUM MOTIJHEEL COLLEGE

AFFILIATED TO WEST BENGAL STATE UNIVERSITY

SEPTEMBER
18,
2021

11 AM

GOOGLE
MEET

E-CERTIFICATES WILL BE PROVIDED TO THE PARTICIPANTS AFTER FILLING UP THE FEEDBACK FORM

Dr. Anwasha Mukherjee is working as an Assistant Professor and Head of the Department of Computer Science, Mahishadal Raj College. Her research area includes Mobile Computing, Cloud Computing and IoT.

Dr. Shreya Ghosh is working as a Senior Research Associate in the Dept. of Computer Science & Engineering, IIT Kharagpur. Her research area includes Spatial Informatics, Machine Learning and Cloud Computing.

This state level one day webinar aims to present an introduction to cloud computing and data analytics, two emerging fields of Computer Science. Hope this webinar can inspire us, specially, the younger generation to explore these fields with enthusiasm and passion.

Patron : Dr. Pradeepta Guptaroy, Principal, Dum Dum Motijheel College
Advisory Person(s) : Dr. Santosh Kr. Roy, Coordinator, IQAC
